**Please Note:** If you provide proof of an unavoidable delay, this will enable full refund of your deposit. If you feel that you just want to extend your holiday, or that the delay in collecting your poultry was avoidable, this will lead to the forfeit of your deposit, as we have other bookings and will need to provide alternative accommodation, at extra cost for your poultry.

We undertake to care for your birds as well as possible, however there is always a risk that one may be taken ill during their stay. We will ALWAYS contact you should this happen and ask for your approval for whatever action is necessary. We reserve the right to take appropriate action if we are unable to contact you. You will be invoiced for the costs involved, including Vets fees and/or disposal.
